

*Paul McCartney*

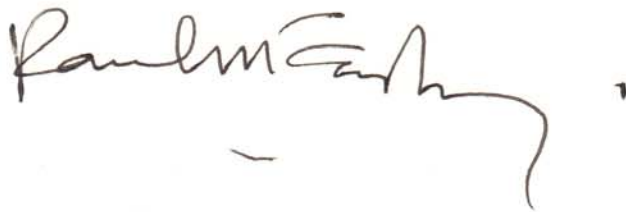

26th February 2010

Dear Kim and Blue Cross Head Office,

I'm writing in support of many local people who value very highly the Blue Cross that we've had for many years in Northiam. It's a great boon to the community and would be sorely missed.

May I appeal to you to find a way, perhaps with our help, to keep this wonderful facility open for the local people who value it so much?

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Paul McCartney', with a long, sweeping flourish extending to the right.
