Summer Crime Prevention - Tips for your home

Remember to close all windows, especially those on the ground floor, when you go out. If you are in your garden, remember to lock your front door and close windows. Consider fitting window restrictors to keep you cool when you are asleep.

Summer Crime Prevention - In the garden

Ensure that gates or access to the rear of the house are locked and secure. Trim overgrown plants - don't give burglars a hiding place. Secure garden tools and ladders in a locked shed or garage to prevent them being used to break into your home. Fit outside security lighting and a visible burglar alarm to help deter burglars.
